Kiwanis Club of Northside, Knoxville, Inc
P. O. Box 3041
Knoxville, TN 37927

The Kiwanis Club of Northside Knoxville, Inc. and its associated Student Fund announce the availability of the Andy Hutson Service Award. This award is based on an individual's service to the community and academic success.

The award is available to any Knox County resident who is or is planning on being enrolled in an accredited institute of higher learning in the coming year, and who has not previously received a scholarship, grant or award from any Kiwanis-affiliated organization.

The number and amount(s) of these grants is to be determined solely by the Selection Committee designated by the Northside Student Fund. Generally, multiple awards of \$500 to \$2000 are made each year. Notification of selection will be made before the end of the Knox County school year.

Applications must be made via e-mail to studentfund@northside-kiwanis.us by March 31, determined by the timestamp on the e-mail. Please do not submit via US Mail.

Three documents are required - the cover sheet below, the required list and narrative, and a letter of reference (which may be submitted separately by the recommender). *No acknowledgment will be provided.*

Once selected, distribution will be made directly to the recipient upon receipt of proof of registration and after studies have begun. A scan of your student ID is recommended, provided it clearly identifies both you and the school.

Questions may be addressed via e-mail to studentfund@northside-kiwanis.us.

Copies of the application are available at www.northside-kiwanis.us. Please print any additional copies needed from the website.
